VASCULAR ULTRASOUND SCREENING \$99.00

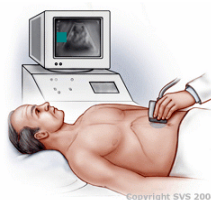

The benefits of screening vascular ultrasounds have been recognized by the Society for Vascular Surgery. Identifying disease early allows for less invasive treatment options and better outcomes which translate to healthier employees and less time off from work for treatment of these diseases.

Carotid Artery Screening

You do not need your Doctor's order for this painless screening.

Abdominal Aortic Aneurysm Screening

ABI for Vascular Disease Screening

Fayetteville: 479-442-7740

Bentonville: 479-254-0434

If your company is looking for ways to help employees learn about their personal health, this may be a start. Ultrasound screening is *safe, effective and painless*. The three tests above will help your healthcare team gain an understanding of your cardiovascular health. All three tests are offered for the low price of \$99.00. If you would like to schedule our vascular specialist to come to your location, please call the numbers above. Discounts may apply for organizations with 30+ people who take the test. This screening is NOT covered by Medicare or insurance.

Gift Certificates are available for individuals who want to show their loved ones how much they care. Valentine's Day IS just around the corner.
